

## Sports Equipment Wish List

2016 -2017

### Dear Parents, Family and friends:

Hello John Eudes community. As we prepare our athletes for a great year of athletic competition I have noticed that we are in need for some additional equipment. Below you will find some items that we currently do not have and that are vital sports equipment that our student athletes could use to hone their skills and exceed in each sport. Some of these items range in prices so any amount that you are willing to assist is greatly appreciated. If you cannot support financially we understand, we do ask that you support our athletes in another method and that is to show school support and cheer on our teams during home games.

Thank You all in advance for your continued support.
